

NEBOSH RISK ASSESSMENT

Neboosh HSE Award in Managing Risk and Risk Assessment at Work

This new award level qualification is a one day course aimed at managers, supervisors, SHE champions, union representatives and aspiring health and safety practitioners.

It is designed for those new to risk assessment and as a refresher for those already undertaking assessments

Aims

The course is designed to provide the information to enable delegates to carry out risk assessments in low to medium risk environments, using the HSE tools

Students will be able to understand:

- Identify hazards and be aware of useful tools to assist in this
- Assess risk using the HSE tools
- Evaluate risk in a proportionate manner
- Identify control measures

There are no pre entry requirements for this qualification .

NEBOSH RISK ASSESSMENT

As well as tackling the extensive syllabus and standards set by Nebosh and the HSE, the course will also give assistance in the preparation of the end of course assessment. The assessment takes up to 60 minutes and its format is unique to a Nebosh qualification with delegates competing the following:

- Watch a video of areal workplace
- Complete a risk assessment
- Identify how to manage and prioritise risk

Delegates who complete this course will be able to:

- Develop straightforward practical skills to manage workplace risks; something all employers need
- Build confidence in your risk assessment capabilities
- Contribute to the creation of a safer and healthier workplace as soon as you return to work.

Employers

- Create a safe and healthy work environment
- Have confidence as your employee will be trained in HSE's current approach to health and safety risk management
- Ensure your organisation has valuable in-house risk management expertise
- Upskill your teams so they can carry out risk assessments in the right way and to the right standard
