Who is this course designed for?

This course is designed to help anyone with responsibilities to manage any aspect of risk within their organisation. If you have already completed the IOSH Managing Safely, a Nebosh Certificate or Diploma this qualification is ideal, building as it does on the wider aspects of risk management. It does not duplicate your previous study.

The course

The NEBOSH IIRSM Certificate in Managing Risk is an introductory level qualification in risk management. It is designed for anyone who wants to be able to identify, evaluate, and manage risks and understand their impacts for an organisation. It is particularly relevant for risk professionals looking to gain a broader view of risk beyond a specialism such as health and safety, quality, or business continuity. There is no need to purchase any other material. Everything you need is provided.

Why take this qualification?

This qualification is available via eLearning only, which means you can complete your studies at a time, place, and pace convenient to you.

When you have completed the qualification, you will be able to:

- understand the principles of risk and risk management;
- source and challenge the validity of risk information;
- understand the impact of psychology on decision making;
- apply the risk management process to manage risk effectively; and
- understand how to integrate the risk management framework into your organisation.

Although the course is studied online you have access to tutor support with Cambridge Safety's experienced tutors.

How long does it take to complete the course?

You can study at your own pace but normally the course will take at least 28 hours of study plus 1 hour to take the comprehensive multiple choice end assessment.

Once your login details are provided you have 90 days to work your way through the course units and complete the end assessment.

You can take the assessment at any time once you have completed your study, it can be taken twice if required. If you do not pass at the second attempt please contact us as your course provider for the options.

Study Materials

The Certificate in Managing Risk eLearning course provides everything you need to complete your studies and prepare for your assessment.

However, we know that some learners like to also have a workbook they can refer to during and after their studies! We have therefore included the qualification book in the course fee. You can opt for the eBook or a hard copy publication to provide a useful resource for reference back in the workplace. Just let us know your selection when you book.

Once you are registered with us, you will receive your log in details Nebosh, this will give you 90 days access to complete your study and the end of course assessment.

How is the qualification assessed?

After studying all the course units you can register for assessment. This is in the form of a one hour multiple choice assessment to test your understanding of all elements.

Any Questions?

Our tutor team is on hand to discuss the course and answer any questions you have, so please give us a call on 01733 865695, email info@cambridgesafety.co.uk, or visit our website via the QR code link below

Additional Information

Course fees

£450 + vat

including course fees, assessment fees and either an eBook or hard copy of the course book.

The E-Book is accessed via the Glassbox app

Entry Requirements

There are no entry requirements for this qualification. However, the course is currently only available in English, so it is important that learners have a suitable standard of English language in order to understand and articulate the concepts contained in the syllabus. NEBOSH recommends that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language.

Bookings

It is a condition of booking that the fee is payable in advance. Booking can be made online or via a booking form. On receipt of your booking an invoice will be raised, if your company operates a purchase order system details should be provided on booking to enable an invoice to be raised.

Cancellations

Cancellations must be made in writing prior to the invoice being paid and login details being provided. Once the order has been processed and login details provided refunds cannot be made. Please note login details are for the named student only and must not be shared.

Personal Data

Your personal data will be stored by Cambridge Safety and will not be divulged to any other organisations. If you wish to have your details removed from our database at any time, please contact us in writing. Course photos and images taken may be used for advertising or social media. Please see our website for our full personal data policy.

Course Programme

The course programme is correct at the time of going to print but may be altered or cancelled due to circumstances beyond our control.
